NEWSLETTER OF THE HUDSON AREA PUBLIC LIBRARY
APRIL 2017

Community Service Event: With Love, Hudson

All ages are invited to join us at the Library and participate in a community service event. We will trace and cut denim and plastic pieces and ship them to Uganda where local cobblers are employed to make the pieces into shoes. The shoes are given free through the non-profit organization, Sole Hope, who also provides medical assistance to children for removal of jiggers (a health epidemic among those without shoes). Visit solehope.org for more info, and drop by the Library Lobby April 6-8, anytime during regular hours, to participate.
