## Off The Shelf

NEWSLETTER OF THE HUDSON AREA PUBLIC LIBRARY  
DECEMBER 2016

## Stitch Night

We've been offering the program Stitch Night for a few months now, and it's become one of our favorite events. Attendees bring in whatever stitching project they're working on—knitting, crochet, paper-piecing, embroidery, quilting, cross stitch, or mending, and the group enjoys relaxed conversation, refreshments, and good company. There's plenty of room to spread out fabric or yarn in Room 219, and it's a great place to meet other crafters.

If you're looking for help with a project, or you're interested in a fun new group to join, try our Stitch Night at the Library, one Thursday a month, from 6:00-7:30pm.

## Abracadabra Magic Show

We are so excited to present Magician Michael Madden at the Hudson Library! Children and families of all ages are invited to join us for an exciting and funny magical performance on Saturday, December 17th. Michael has over 30 years of experience, and people all over Minnesota and Wisconsin rave about his performances. To learn more visit: [www.maddenmagic.com](http://www.maddenmagic.com)

## January Preview

We're excited for 2017...and we're planning events already! We're focusing on health and career advancements in January. Adults, look for a free 5-part career workshop series by SCORE on how to start a small business, beginning in January and running through March.

Learn to make healthy vegan soups, or learn how to manage long-term chronic pain in a hands-on workshop, and join us every Saturday for our Hayao Miyazaki Film Series. There are program options to suit everyone's tastes in the New Year, and we're looking forward to seeing you at the Library!
