NEWSLETTER OF THE HUDSON AREA PUBLIC LIBRARY
MAY 2017

1000 Books before Kindergarten!

You're invited to participate! Read a book—any book—to your newborn, infant or toddler. The goal is to have read 1,000 books before Kindergarten and yes, you can repeat books! Don't be intimidated; remember that one book a night is 365 books in one year, 730 books in two years and 1,095 books in three years.

Stop by the Library and we can help you track your progress—online or on paper—and we will provide rewards along the way. For more info. visit our website, www.hudsonareapubliclibrary.org. Read and reap the benefits!

Pride and Prejudice

We love Jane Austen at the Hudson Library! One of her most beloved books, *Pride and Prejudice*, has been re-told by a rising star in the literary world in a new, modern interpretation. We selected it for discussion during May's Novel Bunch book club on Thursday May 11; join us for *Eligible* by Curtis Sittenfeld.

For contrast, we decided to show the film based on the traditional version of *Pride and Prejudice* on May 27. Join us for both events so you can enjoy and compare the traditional VS the modern version of one of the best classics of all time!

Summer Reading 2017

It's almost summer—and almost time for our summer reading program! We will offer reading challenges from June 3-August 5th, and special events all summer. This year's theme is Build a Better World, and we hope children of all ages, tweens, teens, and adults will participate in this summer's programming.

If you're interested in our summer events, connect with us! Subscribe to our event listings on Facebook, follow us on Pinterest, chat with us on Twitter and Goodreads, and don't forget our website calendar: www.hudsonareapubliclibrary.org.
