SUNDAY HOURS

The Library will be open on Sundays starting in February and going through May 5th from 11 AM to 3 PM.

Not only will this give patrons extra hours at the library, but it gives the library more opportunities for fun programs! Keep your eye out for additional Movie Matinees, Rec Room days, Sensory Room days and more.

SPACE EXHIBIT

Have you seen our museum-quality space exhibit? STEM Educator Christopher Mick has made it possible for Hudson Area Public Library patrons to have an out of this world experience with the Moon, Mars and Beyond. There's a new addition to the exhibit as well: the Plasma Sphere! **This exhibit will be blasting off to another library on March 8th. We will have a send off event on Saturday, March 2nd from 10:30 am to 12:30 pm.**
