Storytime Kits

Our storytime kits contain everything you need to enjoy your own, themed storytime at home with your kiddos.

- Sandra Boynton
- Favorites
- Active Baby
- Bedtime
- Songs
- High Contrast
- Bilingual (Spanish/English)

Baby Storytime Kits ~ Located upstairs, on the wall next to the Storytime room.

Silicone Crayon Molds

Design your own colors and shapes with these silicone crayon molds! Crayons not included.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Birds in Flight

What are those birds flitting about in your backyard? Who is singing that pretty song? Find out with this kid-friendly birding kit!

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Music Makers

Let's make some noise! This kit comes with a variety of musical instruments and a kid's drumming book to get the rhythm started.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Baking Fun

Cakes don't always have to be circles or rectangles! Play around with different shapes of cake as well as decorating styles. From doll to dinosaur cakes, you can practice your baking and frosting skills.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Microscope

Get a very, VERY close look at the world around you! This microscope kit includes plenty of slides and jars for holding your collected materials, as well as a helpful book on the scientific process.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Backyard Bugs

There are millions of creepy crawlies in the world, and lots of them live in your neighborhood! Use the tools in this bug kit to catch, hold, and identify insects.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Ready, Set, Code

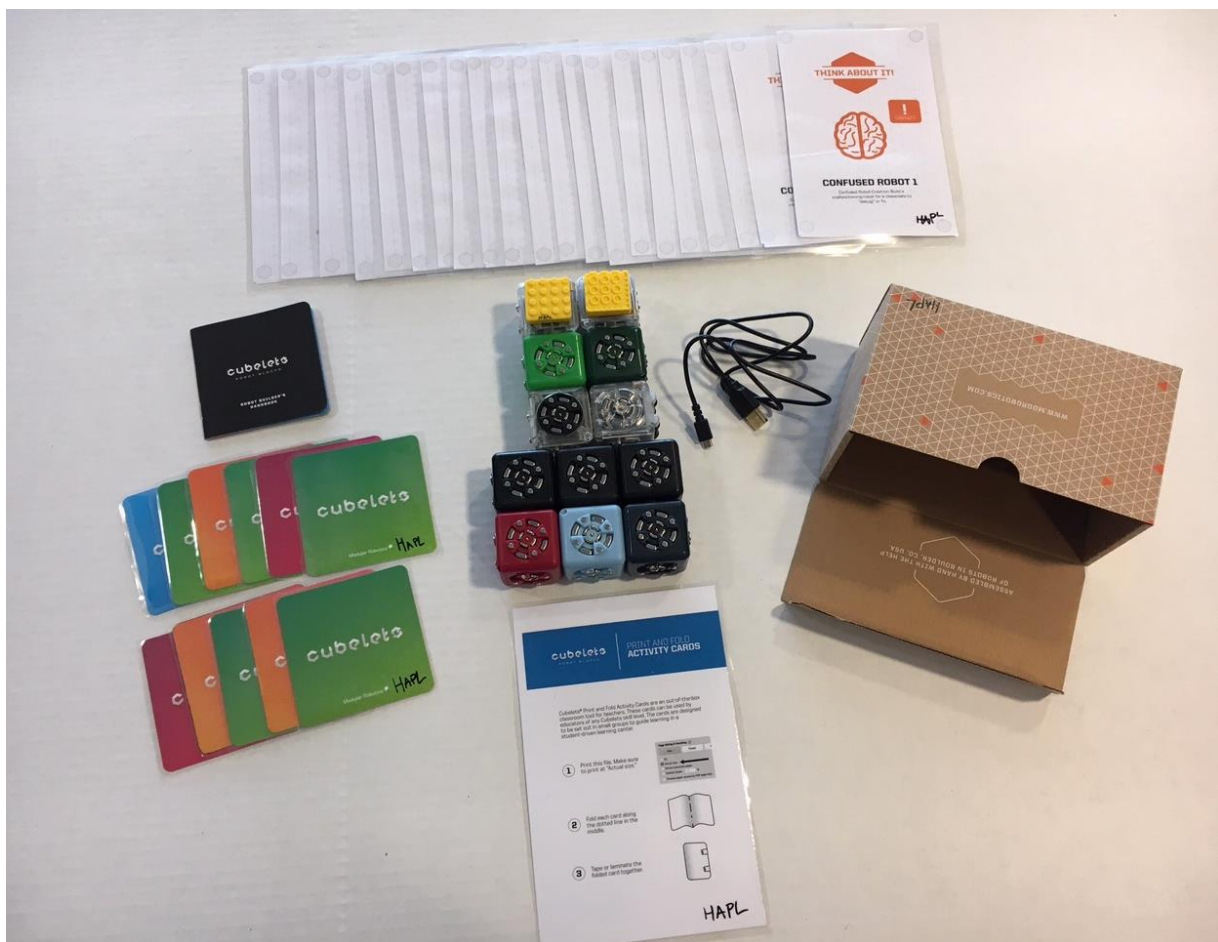

Learn the basics of coding with just a few flashcards and foam mats! Build your routes and find solutions with coding to get through the maze. The Sphero Mini Ball, with the help of the Sphero app, can also be programmed for another level of fun STEM learning!

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Cubelets

Further develop cognitive skills with this robot-builder kit! Each block is its own little robot, and they can be combined to solve the problems given on the provided activity sheets.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Night Sky Astronomy Kit

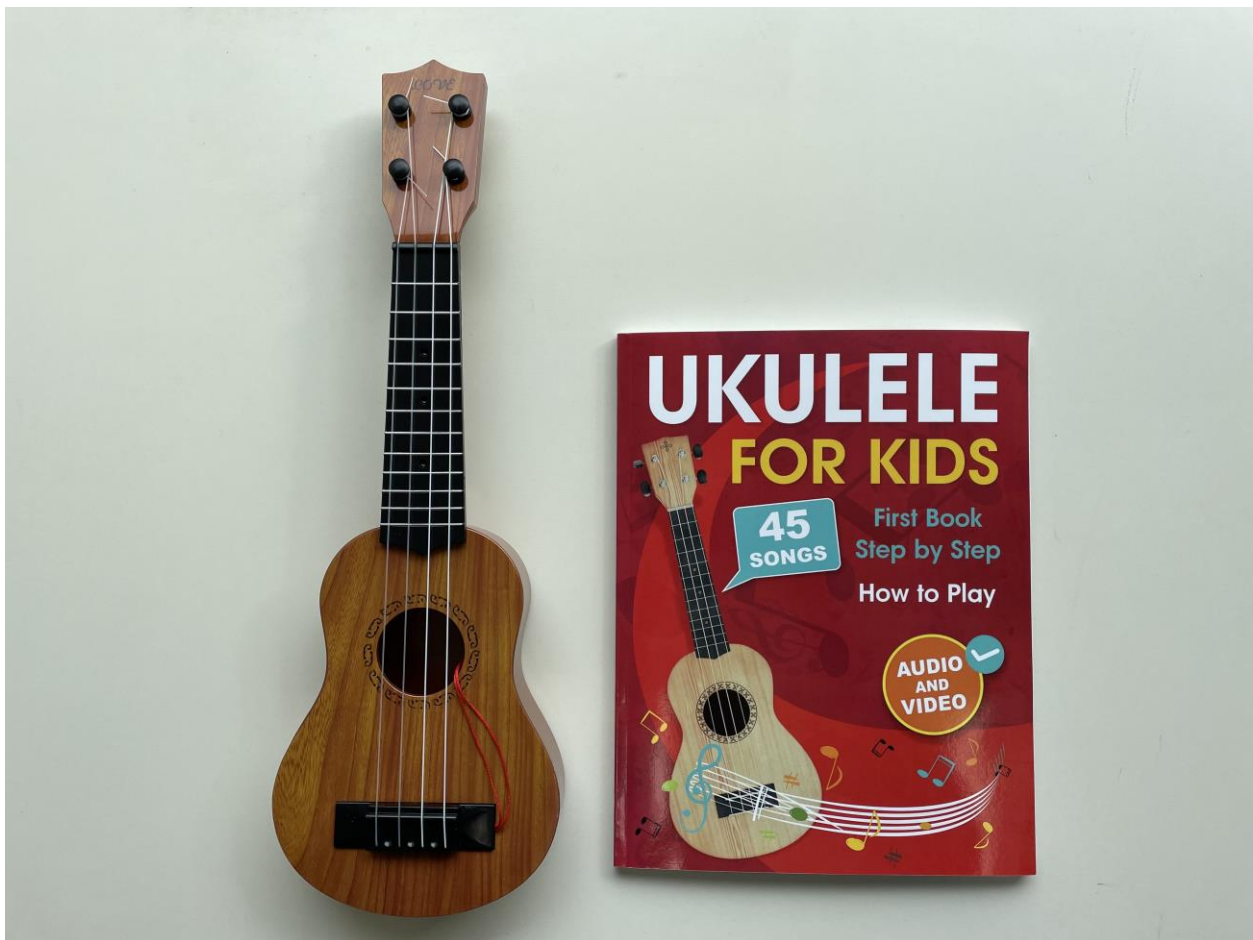

Learn about all the twinkling lights in the night sky! From stars to planets to comets, you can learn about all of them in the provided books and get a closer view with the telescope.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Ukulele

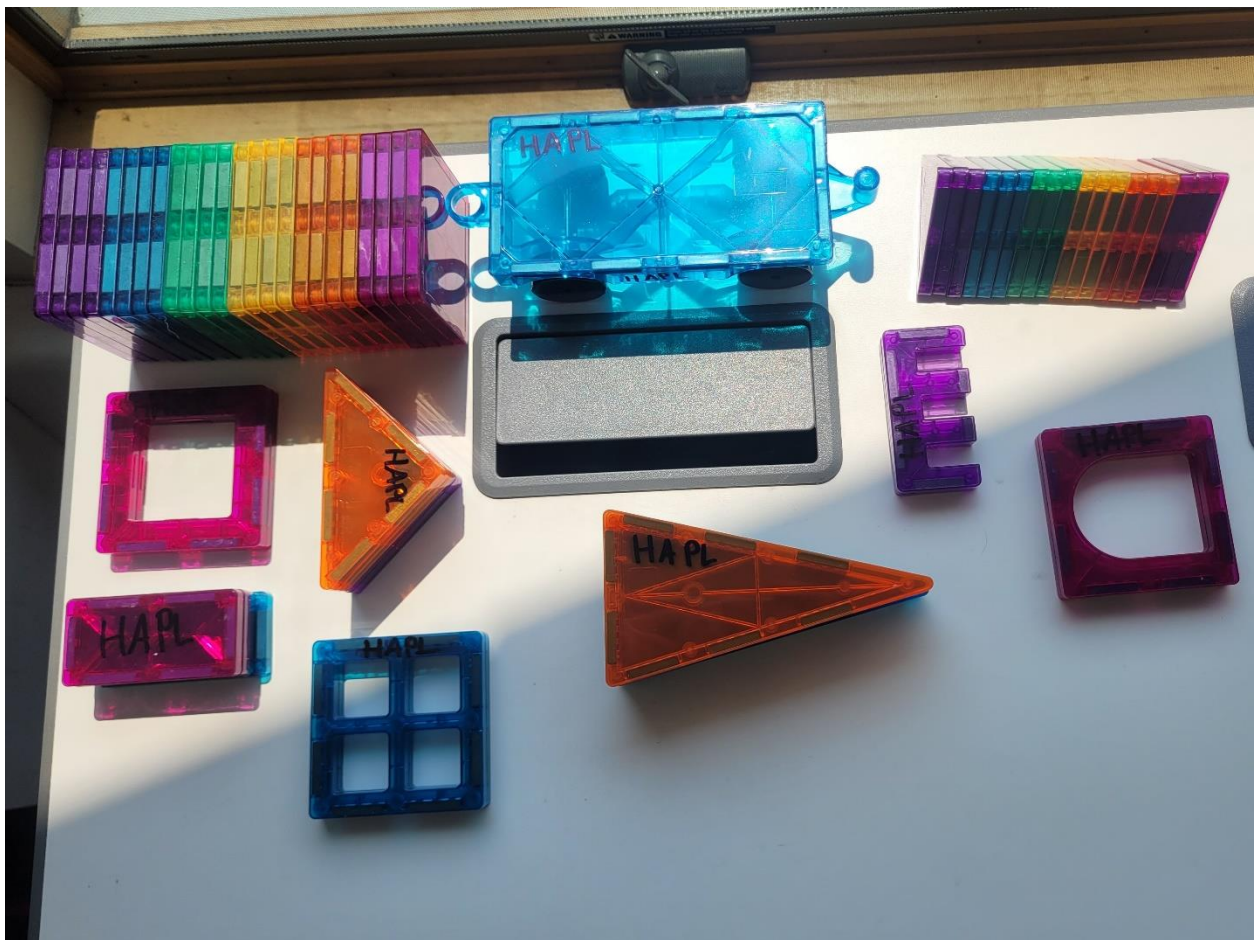

Take the first steps into stringed instruments with the four-stringed ukulele. With the helpful instruction book, those strings will be making music in no time!

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Magnetic Blocks

These magnetic shapes can morph into as many structures as you can dream up! Squares, rectangles, and triangles make up most of the pieces, but special items like little windows and a wheeled cart open up more possibilities.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Stamp It Up!

From coloring pages to greeting cards to scrapbooks, jazz up any art project with a new medium—ink stamps!

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Snow Much Fun!

Adventure awaits! Brave the Midwestern cold and move with a little more ease in these kid-sized snowshoes.

Get Molding! Play-Doh Toy Sets

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

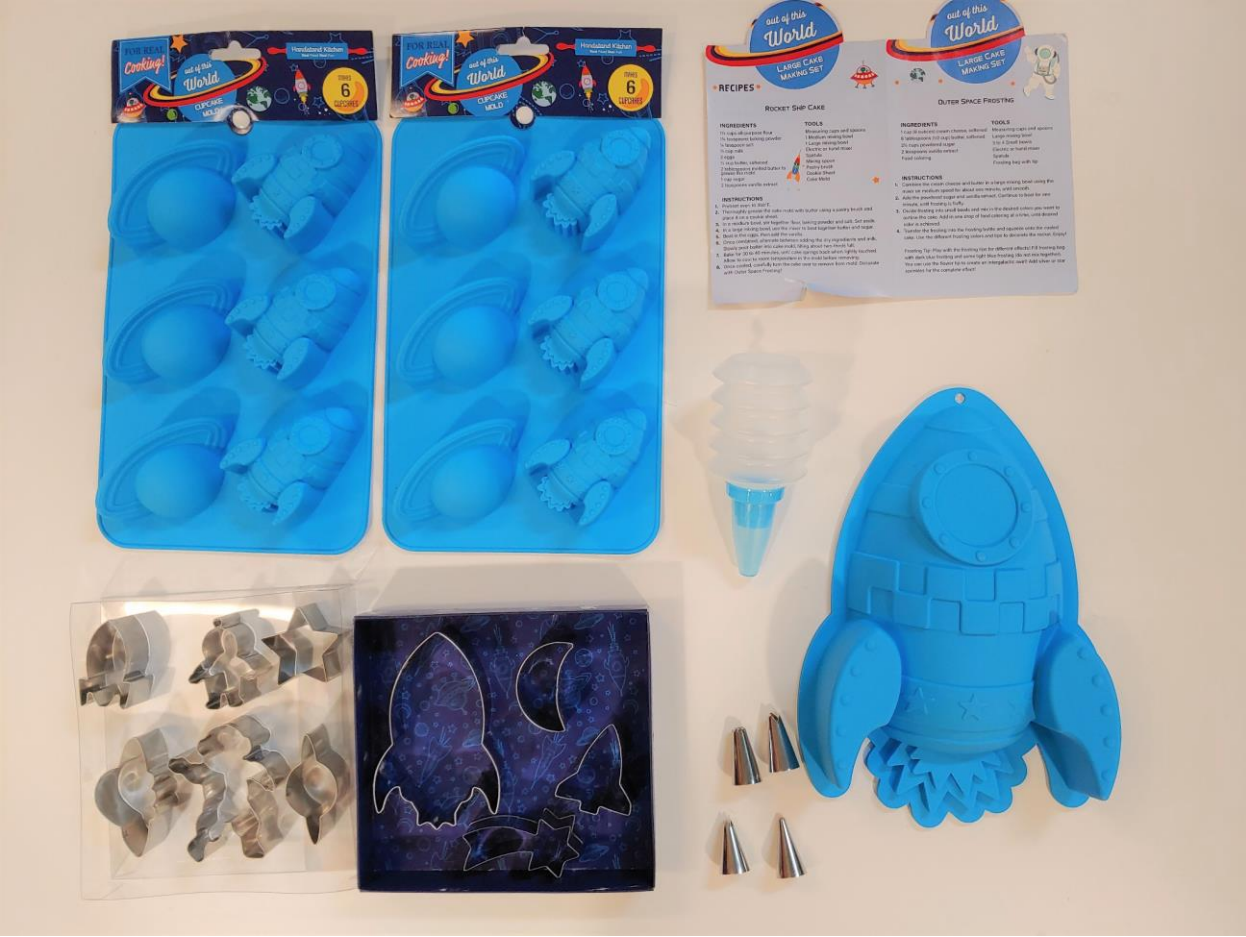

Create a variety of items and stories with our Play-Doh molds! Play-Doh is not included.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Blastoff Baking!

Bake some treats that are out-of-this-world with these galactic baking molds! Great for a space-themed birthday party.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

American Girl Dolls

With American Girl Doll kits, the story possibilities are truly endless! Each kit comes with one doll and a variety of clothes and accessories.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Breathe Easy

Introduce and practice a life-long skill for mental health with this combination of breathing techniques and tactile mazes.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Zen Garden

Experience peace, tranquility, and creativity with a Zen garden. Includes a calming music CD and a children's book explaining the concept of Zen gardens.

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Finger Fidgets

These fidget toys are cute, calming, and very satisfying to pop!

Sensory Bundle

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Build confidence and release stress with a variety of sensory tools.

Construction Site Exploration

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Work with mini construction tools to build—and destroy—kinetic sand creations!

Dark Sky Meter

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Explore the effects of artificial light at night and measure your own lights!

Chunky Puzzle Set

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

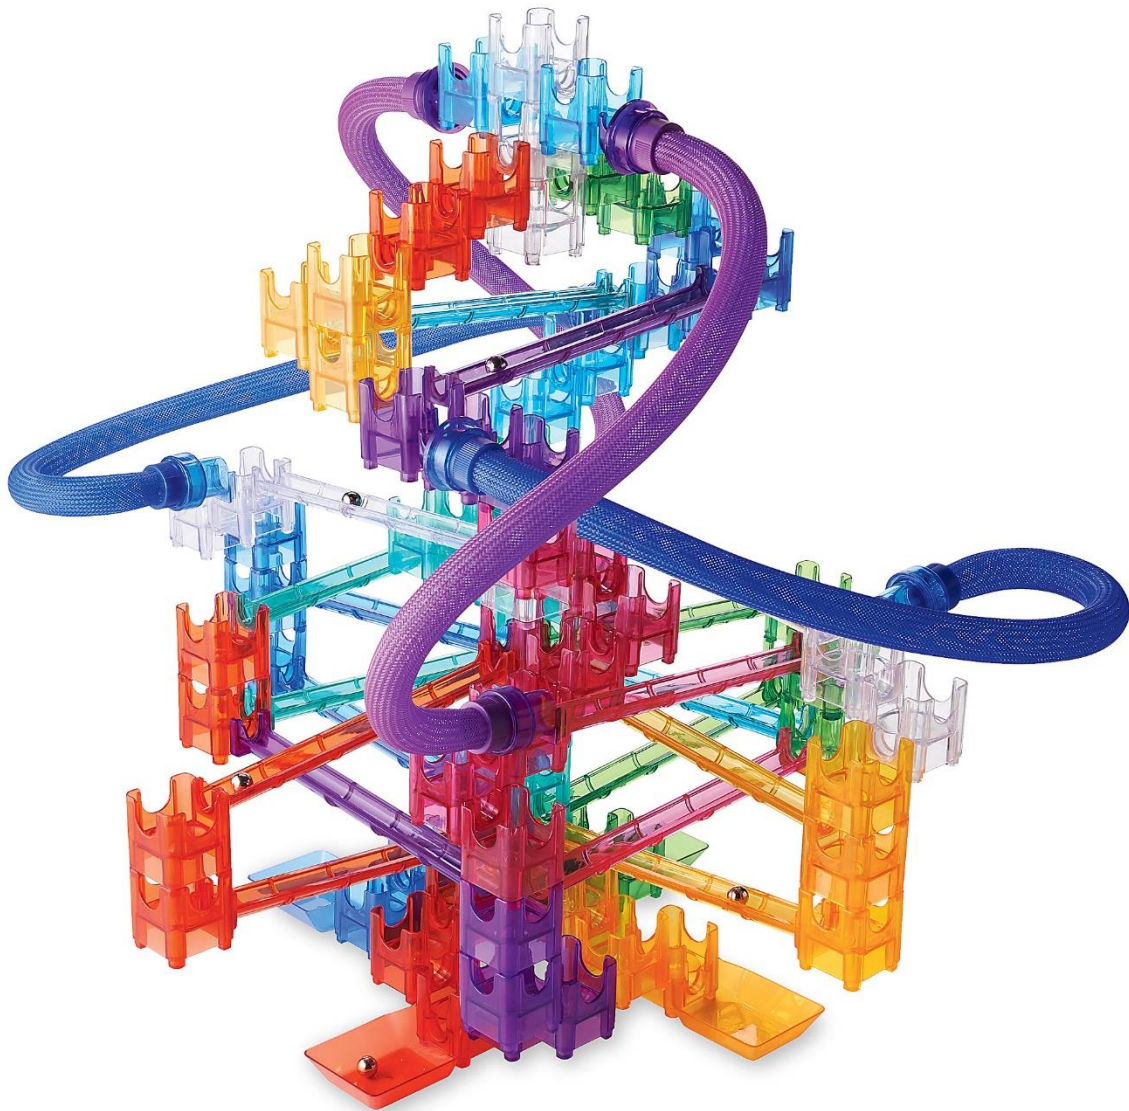

A collection of starter puzzles for the newest puzzler in your house!

Turbo Twist Marble Maze

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

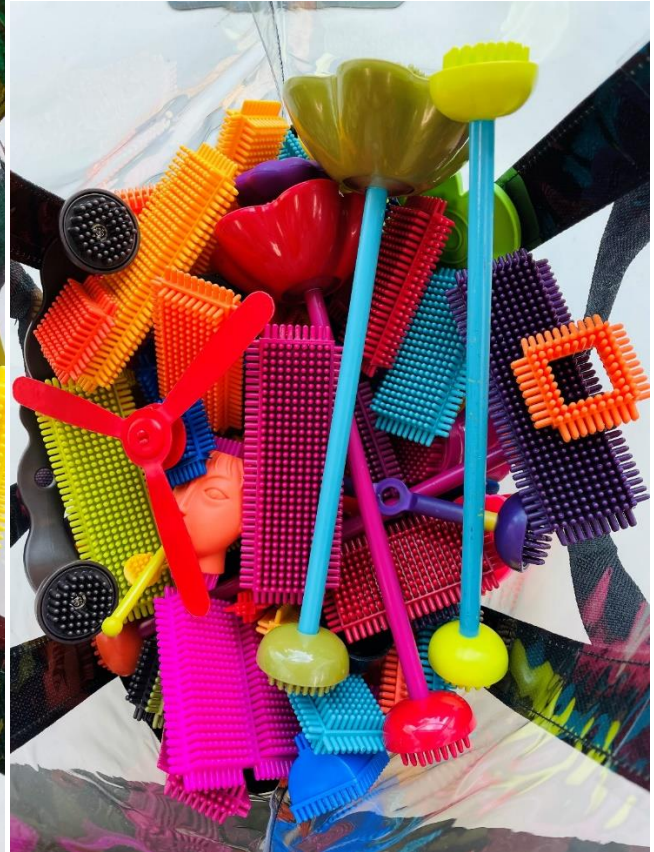

Send metal marbles careening through pipes and tubes! Build the maze provided in the instructions or create your own.

Bristle Blocks Sets

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Assortments of tactile blocks to build masterpieces of fun!

Potato Head Family

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

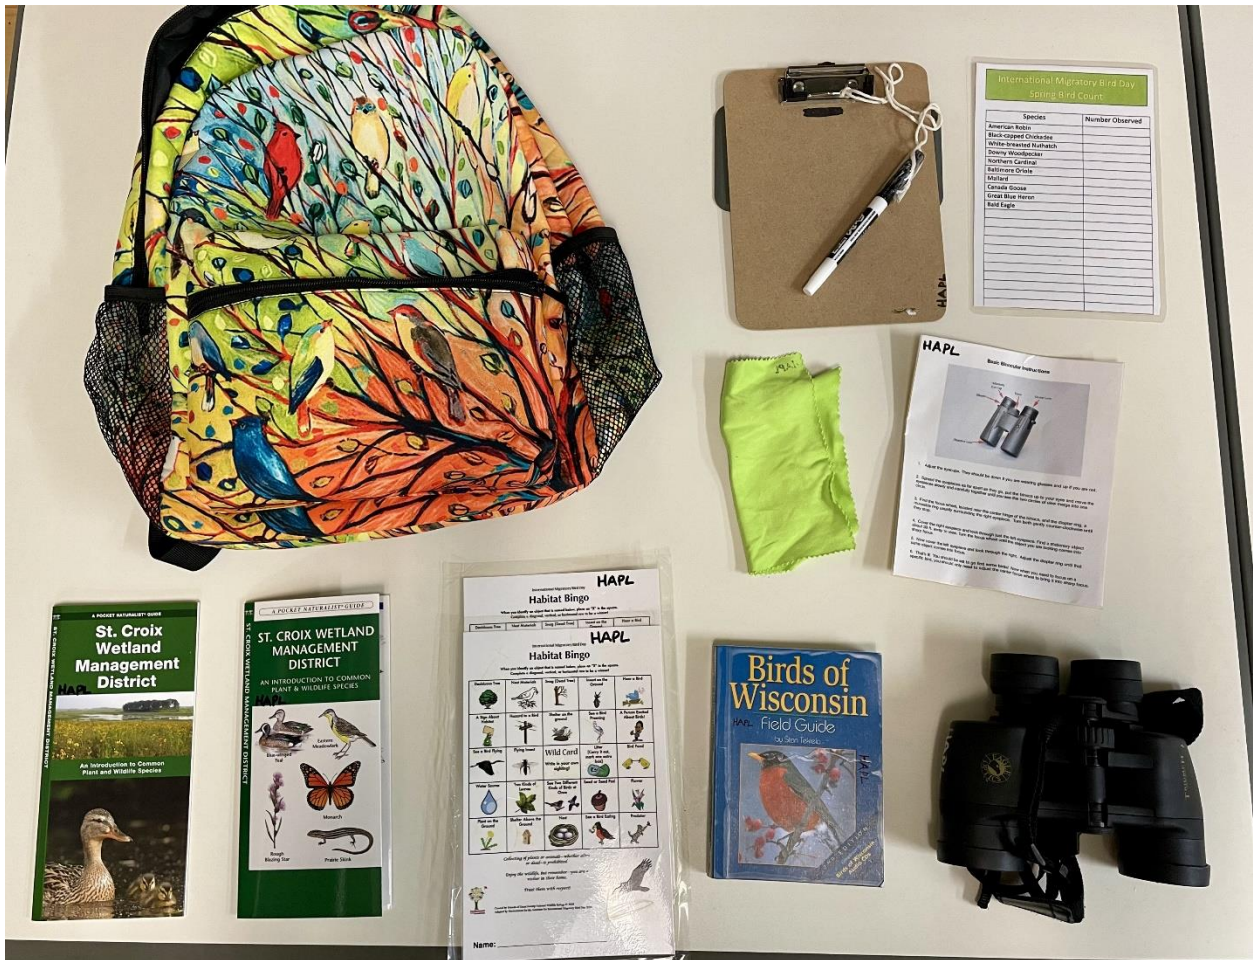

Mr. Potato Head is joined by his family in this create-your-own potato kit!

The Joy of Birding

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Plunge into the wilderness—or your backyard—with this bird-finding kit, complete with a backpack to carry all the necessary supplies.

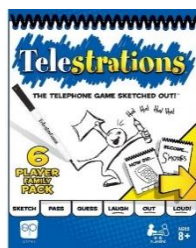

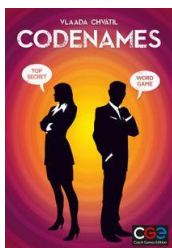

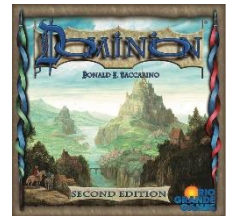

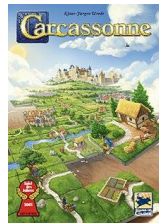

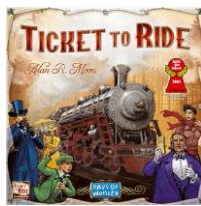

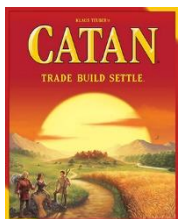

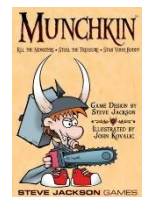

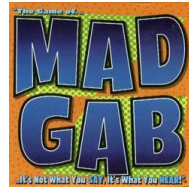

Game Packs

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

There are so many games to try—check them out! Each pack comes with two games.

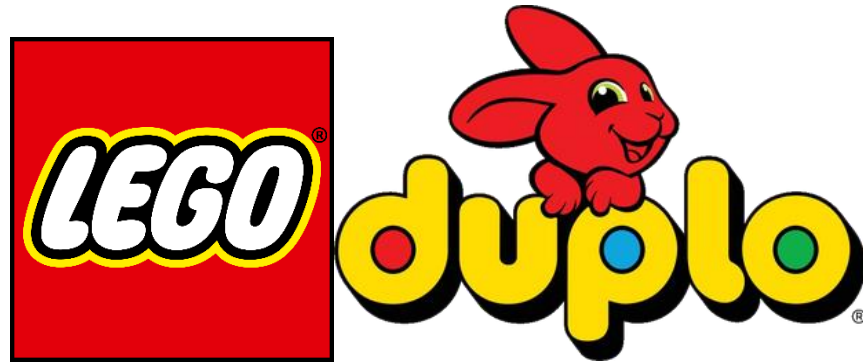

- Mad Gab & Apples to Apples
- Let's Go Fishin' & Grouch Couch
- Battleship & Trivial Pursuit
- Stratego & Throw Throw Burrito
- Munchkin & Catan
- Ticket to Ride & Carcassonne
- Monopoly Jr. & Scrabble Jr.
- Dominion & Codenames
- Telestrations & Star Wars Villainous
- 5-Second Rule Jr. & Pictureka!
- Guess Who? & Connect 4
- Othello & Rummikub

LEGO Kits

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

From miscellaneous collections to 3-in-1 LEGO Creator kits to beloved movie scenes, we've got the pieces you need. Just make sure to keep them separate from your own LEGO and Duplo blocks!

The Park Pack

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

This collection of materials promotes exploring the outdoors and enjoying local parks. It includes a vehicle pass to get into St. Croix County parks and Pierce County Parks!

Children's Steam Kits ~ Located upstairs on the walls around the elevator.

Phonics Kits

Connect sounds to their letters in this variety of phonics kits. Ranging beginner, developing, and advanced, the kits are geared for Pre-K through 2nd grade.

Children’s Phonics ~ Located by the Storytime Room, above Early Readers.
